Tips to move from Beginner to Intermediate Accreditation

Some tips to help you achieve an Intermediate Coach Accreditation

Plan ahead	You must finish the Beginner Online course BEFORE you can enrol in a face to face course
Prepare	Prepare for the face to face course – review the online content prior to attending the course
Pre-course	Get started on the workbook as soon as you receive it – you can take as long as you like to complete it
Online Course	Complete the online courses AT THE SAME TIME as the Pre-course Workbook – they are designed to work together
Supervisor	Find a Supervisor in your Gym – if there is no Supervisor in your Gym contact your local gymnastics association for support
Plan face to face	You must finish the Int Online courses, Pre-course Workbook and 20 hours BEFORE you can ENROL in face to face
Sign checklists	Remember the checklists <u>must be signed</u> by a certified Supervisor before uploaded to LMS
Register for f 2 f	If there are no face to face courses available, contact your local gymnastics association for more information
PDF's for f 2 f course	Print copies of the PDF documents to take to your course – they will be extremely useful during the training.
